

# Student-Athlete Sports Physicals

by Door County Medical Center Clinic

**As an athlete**, keeping your edge is important to you. As your local health care provider, your health is important to us. Under the Health Care Reform Act, you are entitled to receive your yearly physical free of charge with your primary care provider. However, if you wish to schedule a sports physical, you may do so at any time for a \$25 fee payable at time of service. This sports physical meets school and WIAA requirements. Students should dress in shorts and gym shoes and are required to bring their completed WIAA sports card. A parent or guardian must accompany the athlete, or sign the consent form below.

Register today for your sports physical at: **920.746.0510**

## CONSENT FORM

Parents, if you are unable to accompany your athlete to his/her sports physical, please give your consent by completing the information below:
